Dear Mr. Ifrah,

It is a pleasure every year to be able to bring funding to organizations that truly enrich the lives of New Yorkers. I wanted to take this opportunity to commend you and your entire organization for its long-standing dedication to creating, administering, and advocating programs and services that reach out to meet the needs of our community.

I am overjoyed to hear that your organization will be putting its capital request to good use. If there is any way that I can be of service to your agency, please do not hesitate to call my district office at (718) 642-8664. I look forward to working with you on issues of mutual concern and wish you the best in serving the public for many years to come.

Sincerely,
