To Whom It May Concern:

Over the past 3 years, FUTUREKIDS, through the exemplary work its instructors Joshua Feldman, Pam Stevens and Jose De La Cruz, have provided extensive enrichment workshops and parent training to our school.

What has been truly wonderful about the parent workshops integrating technology skills and tools in service of literacy is that these FUTUREKIDS instructors have taken the time to collaborate and team with the computer educator, Ms. Shaw, to make certain that their technology infused projects reflect her curricula approaches and complement the goals of I.S. 55

As a result of this ongoing and enthusiastic teaming, the FUTUREKIDS enrichment programs at I.S. 55 are anticipated, successful and meaningful for staff and students.

Should you require additional information, you may contact me at (718) 495-7736.

Your truly,

Alma C. Summors
